

# Corporate Services and Human Resources

## Good People means Good Business.

Staffworks places candidates in temporary, contract and permanent roles from **Ontario to British Columbia**. We understand you have a culture to build and a business to grow. We're here to help make that happen.

## Why Staffworks?

**Relationships.** Staffworks will take the time to understand you, your business and your vision of a great hire. We will earn your trust.

**Longevity.** Staffworks has been in business since 2000. Our experience will show in the candidates you interview and hire.

**The flexibility you need.** Our clients' roles are unique. They demand a customized approach to identifying and selecting the best talent.

**Urgency.** You won't be waiting and wondering. We are responsive, and we never cut corners.

## What makes us different?

**Our values and commitment.**

Our success has been defined by our commitment to all facets of the candidate and employer relationships. By providing the best possible recruitment experience to both our candidates and clients, we have earned a reputation for professionalism and service.

# Accounting and Finance

## To you, its about efficiency

Staffworks understands you are looking for the perfect combination of skill, experience and emotional intelligence to dovetail seamlessly with the unique culture of your organization. Contract candidates need to hit the ground running and start providing value from day one.

## Accounting and Finance

Businesses across Canada trust Staffworks to identify qualified, reliable talent for their temporary, contract and permanent finance roles. Staffworks validates the qualifications, specific skills and education of each candidate we place, leaving nothing to chance. Our clients rely on us to provide only the very best talent for their organizations.

## What makes us different?

### **We're responsive and we listen.**

Staffworks has been placing candidates in Accounting and Finance teams since 2000. Our customers have come to trust our ability to find the skills, attitude and work ethic to round out their team or fill in for year-end. Staffworks will understand your business and get you the talent you need.

*"...We have been fortunate in working with Staffworks. They are staffing professionals who respect our timelines and deliver. They seem to have access to a pool of top talent and have always been able to find both full time staff and temp. I would highly recommend them..."*

## Information Technology

### To you, it's about efficiency

It's about taking pride in what you do and doing it well. We understand you are looking for the perfect combination of skill, experience and emotional intelligence to dovetail seamlessly with the unique culture of your organization.

### Information Technology

Hiring IT Professionals in today's market requires expertise and an unfailing commitment to finding the best. The Staffworks team matches highly-skilled technical professionals with the challenges of your business, focusing not only on the skill set, but the overall fit between contractor and customer. Our clients across Canada trust that our team has the know-how to understand their technical environments and to attract and recruit the right individuals.

### Our approach to talent

In today's gig economy, creating a win-win is the only way to build sustainable relationships and a sustainable business. Staffworks knows what it takes to find the best technical pros and put their expertise to work for you.
